p. In both the Legends-C and Legends-D Divisions, a team may utilize up to two (2) courtesy runners per inning subject to all other USA Softball rules on courtesy runners.
10.04 Bat Rules: NAGAAA will provide all bats to be used during its tournaments for all divisions, provided the supply of bats is budget neutral. The same bats will be provided to both teams to use during competition and must meet current USA Softball (ASA) bat rules. The Athletic Director will determine the specific bat models to be used and announced no later than January 15 of the year in which they are to be used. No team member may use any other bat than those provided by NAGAAA anywhere on the playing field, inclusive of the dugout. Penalties for bat violations are:

a. That team member transports or takes an approved bat to any area of the field that is not the immediate area surrounding the batter’s box or warm-up circle for the on-deck batter as determined by the umpire.
   1. First Offense: Team Member is disqualified from current game.
   2. Second Offense and Each Subsequent Offense: The team member is ejected from current game and the Athletic Director shall be notified. The Athletic Director will make a determination on player eligibility or recommend actions under 10.08

b. That team member uses a non-approved bat on the playing field, inclusive of the dugouts, at any time the approved bats are on the field.
   1. Any Offense: The team member is ejected from the current game and the Athletic Director shall be notified. The Athletic Director will make a determination on player eligibility or recommend actions under 10.08.

NOTE: Any ejection under this section is subject to further consequences under 10.07.

10.05 Acts of Disqualification: The following is a list of acts any one of which may be justification for the ejection, suspension or termination of any individual, team, team member, or member association by the Open Division:

a. Unsportsmanlike conduct.

b. Abusive behavior toward an umpire, tournament official or participant of the current event immediately preceding, during, or after a game. Any expense that is incurred by NAGAAA to ensure the safety of the NAGAAA participants will be paid by the offending member association or person or persons.

c. Commission of fraud such as playing under an assumed name, falsifying an affidavit or roster, or giving false information to tournament officials.

d. Receiving money or financial benefits in consideration of participating in softball or baseball competition.

e. Participating while knowing they do not meet the eligibility requirements of the Open Division.

f. Knowingly competing with players that are disqualified from Open Division play.

g. h. Using any bat not approved by this organization or using an approved bat in violation of rules established by this organization.

10.06 Non-Registered Players: Any person entering the tournament as a player shall register following the established process for registration before entering any game as an active player. The Athletic Director, shall, upon confirmation that a player entered a game as an active player without that player having completed the official tournament registration process, eject that player from that game and disqualify that player for the remainder of the tournament. The team which rosters a player ejected and disqualified under this rule, shall be recorded a forfeit loss in any game in which that player participated. An active player means a player who participated in the game in an offensive or defensive role including as a courtesy runner. A player listed as a substitute on a line-up card but who does not enter the game is not governed by this rule.

a. No team eliminated from the double elimination tournament shall be reinstated to the bracket, except when that team is granted a forfeit win by this section and no intervening game in the bracket affecting that team has been played between the game in which the team was eliminated and the game in which the team with an unregistered player is recorded a forfeit loss.
10.07 **Ejections from Game:** During NAGAAA play, any time a player, coach or manager strikes another player, coach or manager, said player, coach or manager shall be ejected from the game and shall not be allowed to sit on the player’s bench.

a. If a player is ejected from a game, the ejecting umpire will record the player’s name, team name / city and the reason for the ejection. They must provide this information to a NAGAAA official immediately who must ensure the Athletic Director obtains this information whom shall rule on the length of ineligibility arising from the ejection.

10.08 **Ejections at Any Time:** Any individual ejected from a game or any individual who engages in conduct defined as act of disqualification during the time of the tournament inclusive of all tournament related events, and is identified and recommended for disqualification by a member of the Board of Directors, the Umpire-in-Charge, or Assistant Umpire(s)-in-Charge shall be subject to a disciplinary hearing.

a. If the ejection or recommendation for disqualification occurs before the time that protest committees are available at the field complex(s) then the Competition Director shall convene a panel of 3 directors, exclusive of the Commissioner, to hear the case and make a ruling subject to (c.)

b. If the ejection or recommendation for disqualification occurs while a protest committee is available to convene, the committee shall convene, hear the case, and make a recommendation to the Athletic Director, subject to (c.)

c. Any recommendation for sanctions under this section shall be limited only to the tournament, inclusive of all tournament related events, and may include any sanction up to complete disqualification from that tournament.

**CHAPTER 20 – MEMBER ASSOCIATION RESPONSIBILITIES AND PLAYER ELIGIBILITY**

20.01 **Jurisdiction:** This chapter shall be the jurisdiction of the Council and amended by majority at any council meeting, except that any amendment adopted at summer meeting of the Council must achieve a ninety percent (90%) vote to be effective at the Gay Softball World Series immediately following that meeting.

20.02 **Definitions:** The following definitions apply in this chapter and in common usage throughout the Governing Manual:

a. **Additional Player** – a player added to a team’s regular season roster for purposes of tournament play. The player must be from the regular season roster of another team within the same member association.

b. **Metropolitan Area:** In the United States, a metropolitan area is defined as the US Census Combined Statistical Area (CSA), or Metropolitan Statistical Area (MSA) when not located in a CSA, in which the member association is predominantly located. In Canada, a metropolitan area is defined by the Statistics Canada Census Metropolitan Area (CMA) in which the member association is predominantly located.

c. **Non-LGBT** – a person who does not self-identify as Lesbian, Gay, Bisexual, or Transgender.

d. **Non-qualifying Association** – A member association in which a player does not maintain eligibility to qualify and participate for a calendar year’s GSWS despite having played part or all of a qualifying season in that association.

e. **Player ID** – The unique identifying number assigned to an individual player in the NAGAAA database.

f. **Qualifying Association** – The member association through which a player maintains eligibility to qualify and participate in a calendar year’s GSWS by that association bearing responsibility for the player’s rating, eligibility standards, and compliance with the NAGAAA database standards.

g. **Qualifying Season** – The playing season of each member association in which a player and teams qualify for the GSWS and in which the player is evaluated and rated by the Association.

h. **Sanctioned NAGAAA Tournament** – a tournament sanctioned by NAGAAA, currently only the Gay Softball World Series and the NAGAAA Cup.
SECTION 1 – MEMBER ASSOCIATION AND PLAYER REGISTRATION RESPONSIBILITIES

20.10 Player GSWS-Qualifying Association Declaration: A player may play in more than one association’s GSWS-qualifying season, but must declare what association is their qualifying association. However, the following procedures must be followed. When a player registers in any association, the player must declare whether the NAGAAA member association is that player’s qualifying association. Additionally, the player must also declare any other association the player has, will, or may play in for all or part of a qualifying season in that calendar year. A player who registers and declares only one (1) association shall consider that association that player’s qualifying association.

Once a player has declared an association as their qualifying association, the player may not declare another association as their qualifying association.

With written approval from both association’s Commissioners and the Director of Competition, a player may change their qualifying association provided they have not played 50% of the games in the original qualifying association. The NAGAAA Board may make exceptions to this section for players with extenuating circumstances, and must report such exceptions to the Council prior to the GSWS.

If a player declares with more than one association in a qualifying season, they are ineligible to play in the GSWS.

20.11 Association Registration Duties: Any association, registering a player as a non-qualifying association, shall immediately inform, in writing via electronic mail, that player’s qualifying association of the player’s registration. As applicable, the qualifying association, upon receiving the registration of a player declaring the association that player’s qualifying association or receiving the notice of the player’s declaration shall request, in writing via electronic mail, a transfer of the player in the NAGAAA database to their association for control of the player’s rating and eligibility. Any association which is declared as the qualifying association of a player, and that player fails to register in that association, the association shall immediately transfer the player to one (1) of the players declared non-qualifying associations as chosen by the player which shall become the player’s qualifying association.

20.12 Transfer Timeline and Penalties: Any and all associations, which receive a valid request for transfer of a player in the NAGAAA database, shall perform the transfer as soon as practicable and without delay, but not later than 30 days after the transfer request has been made or July 10th, whichever comes first, so as not to hinder the duty of the qualifying association. All associations are expected to maintain open and timely communication between associations to foster correct and accurate registration and declarations of players. Any association violating the provisions in this chapter shall be required to attend the next available Registration and Database Workshop after the violation has been noted by the Director of Competition and shall also be subject to penalties outlined in these policies.

20.13 Regular Season Roster: The roster submitted by Member Associations that serves three purposes:

1. To account for each player whose primary team is in the Member Association
2. To identify each player’s primary team
3. To determine each Member Association’s berth allotments for the GSWS

A Regular Season Roster must have at least ten (10) players on the roster. No player may be listed on more than one (1) Roster for a NAGAAA sanctioned tournament. A Regular Season Roster team may not be comprised of more than twenty (20) players. Managers and/or coaches who are not eligible to play or who do not play as a player do not count towards this requirement. Each Regular Season roster may name two (2) non-playing members in addition to the maximum of twenty (20) players. The Board of Directors shall determine the manner and form for submission of the rosters, deadline for submission of the rosters, and any sanctions for errors, omissions, and/or changes.
20.14 Standard Roster: The GSWS / NAGAAA Cup roster submitted by Member Associations that consists of players from a Regular Season Roster and a maximum of four (4) pickup players, all from the same member association.

A Standard Roster must have at least ten (10) players on the roster, and may have a maximum of three (3) non-LGBT players. No player may be listed on more than one (1) roster for a NAGAAA sanctioned tournament. A Standard Roster team may not be comprised of more than twenty (20) players. Managers and/or coaches who are not eligible to play or who do not play as a player do not count toward this requirement. Each Standard Roster may name two (2) non-playing members in addition to the maximum of twenty (20) players. The Board of Directors shall determine the manner and form for submission of the rosters, deadline for submission of the rosters, and any sanctions for errors, omissions, and/or changes.

20.15 Extended Association Roster: The GSWS / NAGAAA Cup roster submitted by Member Associations that consists of players from a Member Association’s Regular Season Roster with a maximum of four (4) pickup players from other Member Associations. An Extended Association Roster must have at least ten (10) players on the roster and may have a maximum of three (3) non-LGBT players. No player may be listed on more than one (1) roster for a NAGAAA sanctioned tournament. An Extended Association Roster team may not be comprised of more than twenty (20) players. Managers and/or coaches who are not eligible to play or who do not play as a player do not count toward this requirement. Each Extended Association Roster may name two (2) non-playing members in addition to the maximum of twenty (20) players. The Board of Directors shall determine the manner and form for submission of the rosters, deadline for submission of the rosters, and any sanctions for errors, omissions, and/or changes.

20.16 All Association Roster: The GSWS / NAGAAA Cup roster submitted by Member Associations that consists of players from Regular Season Rosters of multiple Member Associations. An All Association Roster must have at least ten (10) players on the roster and may have a maximum of three (3) non-LGBT players. No player may be listed on more than one (1) Roster submitted for a NAGAAA sanctioned tournament. An All Association Roster team may not be comprised of more than twenty (20) players. Managers and/or coaches who are not eligible to play or who do not play as a player do not count toward this requirement. Each All Association roster may name two (2) non-playing members in addition to the maximum of twenty (20) players. The Board of Directors shall determine the manner and form for submission of the rosters, deadline for submission of the rosters, and any sanctions for errors, omissions, and/or changes.

20.17 Legends Division Roster: Any Legends Division team must adhere to either the C or D divisional guidelines. A Legends Division roster must have at least ten (10) players on the roster, and the roster may have a maximum of three (3) non-LGBT players. No player may be listed on more than one (1) roster for a NAGAAA sanctioned tournament. A Legends Division Roster may not be comprised of more than twenty (20) players, except managers and/or coaches who are not eligible to play or who do not play as a player do not count toward this requirement. Each roster may name two (2) non-playing members in addition to the maximum of twenty (20) players. Rostered non-players are permitted on the field of play, including the dugout areas.

Any players on a Legends Division Roster need not have qualified for the GSWS in the same member association that is rostering the team. Any player on these rosters must have met player eligibility standards in their qualifying NAGAAA member association. The Board of Directors shall determine the manner and form for submission of the rosters, deadline for submission of the roster, and any sanctions for errors, omissions, and/or changes.

20.18 Adding Players to a GSWS Roster from Other Associations: A Member Association may submit up to one Extended Association Roster if the Member Association is sending only one team to the GSWS across all Divisions.
In addition, for any A Division or B Division teams participating at the GSWS, each team is allowed to add two (2) of their four (4) total pickup players from any other Member Association, provided that all players have met the player eligibility standards in their qualifying NAGAAA Member Association.

This rule is the sole manner in which a Member Association may add a player who qualified in another member association to their GSWS roster. This section does not apply to or restrict any Legends Division team from adding players from other Member Associations to their GSWS roster, subject to the rules governing Legends Division Rosters.

**20.19 Preferred Supporters:** Each association may name two (2) non-playing members per the number of teams that the association is sending to the current year’s GSWS. These supporters will not be added to rosters but are entitled to the same benefits that apply to players or non-players on a roster at the GSWS. Preferred Supporters are NOT permitted on the field of play, including the dugout areas. The Board of Directors shall determine the manner and form for submission of the preferred supporters, deadline for submission of all association preferred supporters, and any sanctions for errors, omissions, and/or changes pertaining to preferred employers.

**SECTION 2 – RATINGS AND DIVISIONAL GUIDELINES**

**20.21 Individual Player Ratings:** Each member association shall rate every player, who has declared that association as the player’s qualifying association, on each of its teams using the Player Rating Guidelines and report these ratings along with regular season roster in the form and manner as determined by the Board of Directors. Only a player’s qualifying association shall rate that player for the purposes of the NAGAAA database, and the qualifying association shall be responsible to ensure that the player exists only once in the database with a single Player ID attributed to the player. The qualifying association bears all responsibility for the accuracy of all data attributed and attached to the player. A qualifying association, upon discovering a duplicate player entry, shall notify the Director of Competition to have the duplications merged into one (1) player identity. In the case of a player who plays in multiple associations, the player shall be listed on a team’s regular season roster in the non-qualifying association, but the non-qualifying association shall not recreate the player with a separate Player ID nor alter the rating assigned that player by the qualifying association or any data entered by any other association.

**20.22 Team Ratings:** A team rating is defined as the sum of the highest ten (10) individual player ratings rostered on that team.

**20.23 Divisional Guidelines:** Teams may compete in the following divisions based on their Player and Team Ratings.

a. A division – There is no maximum team or individual player rating for the A division. No team rated lower than 170 is allowed to play in the A division, except any B team granted eligibility in or required to move to A Division under the no-repeat rule of this organization shall be exempt from this minimum rating requirement.

b. B division – All teams rated 180 or lower; no players rated over 20 are allowed on a B division team.

c. C division – All teams rated 140 or lower; no players rated over 15 are allowed on a C division team.

d. D division – All teams rated 110 or lower; no players rated over 12 are allowed on a D division team.

e. E division – All teams rated 75 or lower; no players rated over 8 are allowed on an E division team.

**20.24 Amendments Affecting Divisional Guidelines:** Prior to adoption of any amendment to alter the divisional guidelines, the Director of Competition shall report to the council the number of players that will be displaced by the proposed change and the number of member associations that shall be impacted by the proposed change. No amendment is in order until such report is received.

**20.25 Threshold for Amendments:** Any amendment to divisional guidelines requires a two-thirds (2/3) vote of the Council for adoption and is effective in the calendar year following the year the amendment was adopted,
except that an amendment to divisional guidelines adopted at a winter meeting of the Council requires a ninety
percent (90%) vote to be effective at a sanctioned NAGAAA Tournament in the same calendar year as the winter
meeting.

20.26 Ratings Workshop: All new member associations and first-time voting representatives of any member
association are required to attend the ratings workshop held at their first regular meeting.

SECTION 3 – ATHLETIC PARTICIPATION AND ELIGIBILITY

20.30 Professional players: Professional softball or baseball players are ineligible to qualify for any Association
while pursuing their profession.

20.31 Player age: Players must be at least eighteen (18) years of age prior to roster submission deadline of the
NAGAAA tournament in which they are registered. Legends Division players must be at least 50 years of age at any
time in the calendar year of the NAGAAA tournament.

20.32 Participation: A player must participate in a minimum of fifty percent (50%) of their team’s regular season
games; except for Legends Division, for which the minimum requirement is five (5) games. Participation is defined
as a player included on their team’s game lineup card and present in or within close vicinity of their team bench or
dugout.
   a. Players on a tournament roster of a NAGAAA Cup team in “A” or “B” Division may include their
      participation in the NAGAAA Cup under rule 20.33(b) to meet the fifty percent (50%) participation
      requirement.

20.33 Requirements for Teams: No team may be considered a regular season roster team nor be eligible
for a NAGAAA event unless the team completes at least ten (10) regular-season games against other teams
within the member association. This preceding requirement may be waived by the Board of Directors in
extraordinary circumstances. The games must be conducted according to the rules of USA Softball (ASA) or a
similar sanctioning body.
   a. An “A” or “B” Division team may meet its ten (10) game requirement by playing scheduled games
      against teams from other Associations, except for games played in any tournament.
   b. Notwithstanding any other rule, any team competing at the NAGAAA Cup in a “A” or “B” Division shall be
      credited four (4) games towards this ten (10) game requirement.

20.34 Ratings Changes Affecting Players: Should a player’s rating change during the member association’s
NAGAAA qualifying season and the rating change force the player to move to a new division or a different team,
the games played on either team or in either division in the same member association qualify towards the
participation requirement.

20.35 Ineligible Players for the E Division: Any player who receives a YES answer to Question 3 of the Player
Ratings Guidelines is not eligible to be rostered on a team in or compete with a team in the E Division. Any player
who receives a YES answer to Question 5 of the Player Ratings Guidelines is not eligible to be rostered on a team in
or compete with a team in the E Division nor the D Division.
CHAPTER 25 – PLAYER RATING GUIDELINES

25.01 Jurisdiction: This chapter shall be the jurisdiction of the Council and amended at any meeting. Any amendment to this chapter requires a two-thirds (2/3) vote of the Council for adoption and is effective in the calendar year following the year the amendment was adopted, except that an amendment adopted at a winter meeting of the Council requires a ninety percent (90%) vote to be effective at a sanctioned NAGAAA Tournament in the same calendar year as the winter meeting.

SECTION 1 – DEFINITIONS

25.10 Definitions: The following definitions apply to this chapter:

a. Accuracy – A throw that is within one to two steps of the intended target.

b. At-bat – An at-bat is charged to a player following every plate appearance except when: 1) the player hits a sacrifice fly that scores a runner, 2) the player is awarded a base on balls, or 3) the third out occurs and the batter is not entitled to run to first base. Exception #3 shall not be considered if the batter is out due to a strike being a foul ball which ends the at-bat. In the event of any discrepancy between this definition and the official scoring rules of the USA Softball (ASA) and definition contained therein, the latest version of the USA Softball (ASA) rules shall control.

c. Base Safely Reached on Error – A batter shall be credited with a base safely reached on error on the part of a defensive player(s) who is charged with an error by the scorekeeper.

d. Behind the player (for fly balls) – The area on the field starting directly to the right of the player, proceeding in a 180-degree arc behind the player and ending directly to the left of the player.

e. Cleanly fielding the ball – The player receives and controls the ball immediately while over his/her center of gravity (i.e., not on their knees, on the ground or off-balance) and does not cause any delay in making the next play (e.g., tags the runner, steps on the base, throws the ball to the appropriate place on the field).

f. Deliver multiple pitch techniques with accuracy – The ability to use arc, spin, location and movement of the ball to deliver various pitches (e.g. curve, change up, cutter / reverse curve, knuckle ball) that are called strikes or cause the batter to swing.

g. Directly at the Player – A ball hit at a player that does not require the player to move his/her feet, although it may cause the player to reach in any direction to make the play.

h. Fly Ball – Any batted ball that is in the air for more than three (3) seconds but less than five (5) seconds

i. Ground Ball – Ball hit with a downward trajectory that makes contact with the ground in front of the player when hit directly at a player or in front of the bases when hit between players.

j. High Velocity – A ball hit greater than 250 feet (76.2m) in the air or a ground ball that would roll to a distance greater than 250 feet (76.2m), if not impeded

k. Hit – A batted ball that allows the batter to reach base safely: 1) on a fair ball which settles on the ground, clears the fence, or strikes the fence before being touched by a fielder, 2) on a fair ball which is hit with such force or such slowness or which takes an unnatural bounce that it is impossible to field with ordinary effort in time to make an out, 3) when a fair ball which has not been touched by a fielder becomes dead because of touching the person or clothing of an umpire, or 4) when a fielder unsuccessfully attempts to retire a previous runner and in the scorer’s judgement, the batter-runner would not have been retired at first base by perfect fielding. A hit shall not be scored: 1) when a runner is forced out on a batted ball or would have been forced out except for a fielding error, 2) when a player fielding a batted ball retrieves a preceding runner with ordinary effort, 3) when a fielder fails in an attempt to retire a preceding runner, and in the scorer’s judgement, the batter-runner could have been retired at first base, or 4) when a batter reaches first base safely as a result of a preceding runner being called out for interfering with a batted or thrown ball, or with a defensive player. In the event of any discrepancy between this definition and the official scoring rules of the USA Softball (ASA) and the definition contained therein, the latest version of the USA Softball (ASA) rules shall control.
In the Hole – A ball hit that requires a player to take 4-5 steps (12 feet (3.7m) or greater) in order to make the play.

Line Drive – a ball that from the point of contact rises vertically less than 10% of the total horizontal distance it travels, or in the case of a throw, a ball that from the point of release rises vertically less than 5% of the total horizontal distance it travels.

Low Velocity – a ball hit up to 150 feet (45.7m) or less in the air or a ground ball that would roll to a distance of less than 150 feet (45.7m), if not impeded.

Medium Velocity – a ball hit 150 to 250 feet (45.7 to 76.2 meters) in the air or a ground ball that would roll to a distance of 150 to 250 feet (45.7 to 76.2 meters), if not impeded.

Modified batting average – The percentage resulting from the sum of a player’s: 1) hits and 2) bases safely reached on error divided by the player’s at-bats.

Off center of gravity – The player fields the ball from his/her knees, off one foot, while moving the opposite direction from the throw or while in the air.

Stopping the ball – The player prevents the ball from continuing beyond the player and causes it to remain in the vicinity of the player. The player is not able, however, to make the next play without delay.

Vicinity – within a step in any direction laterally of the player receiving the throw.

Within a few steps – A ball hit that requires a player to take 2 – 3 steps (9 – 10 feet or 2.7 – 3 meters) in order to make the play.

(Note: In reference to the modified batting average, a batted ball resulting in a fielder’s choice is not included in the definition of a hit and therefore is not included in the number of hits a player is recorded to calculate the modified batting average. The USA Softball Rules and NAGAAA Governing Manual do not define a fielder’s choice. A Fielder’s Choice is understood to be an outcome of a batted ball where a preceding runner was put-out (or could have been in the judgement of the scorer) rather than the batter-runner. See lines 806-813 for these results of a batted ball that do not constitute a hit. This note is explanatory on the definition of modified batting average and is not considered a governing rule. Added by Board of Directors February 17, 2019)

SECTION 2 – PLAYER RATING GUIDELINES

25.20 Rating Guidelines: The following are the official rating guidelines of this organization:

Directions:

1. Read the following Statement of Purpose: This form is intended to be used as a tool to assist those responsible for rating players so ratings may be fair and consistent across all levels of play and across all leagues in the Open Division. All questions are intended to determine if a player possesses a skill or skills necessary for softball.

2. Read and understand the definitions of the various terms used in ratings in the definitions section of this chapter.

3. Answer YES or NO for each question.

4. Many questions have multiple parts. A YES to ANY one part is a YES to the question.

5. Questions: All questions will begin with the phrase: DOES THE PLAYER HAVE THE ABILITY TO...
DIRECTIONS: Review each of the following questions for every player. Does the player have the ability to perform the listed skill at the specified threshold for that question? If so, the player receives a YES for the question. A YES to any part of a question is a YES to that question.

30.02 Authority: The actual contest between teams during the GSWS is solely under the jurisdiction of the Athletic Director. The Board of Directors may, upon request of the Athletic Director, alter and change the format and rules of the tournament as needed to accomplish play and ensure completion of the tournament in times of, including, but not limited to, nature-related incidents, acts of terror or civil emergency, and other emergency situations. Complete cancellation of the tournament may only be authorized by the Board of Directors. The Board of Directors shall outline the roles and responsibilities for all personnel of the tournament.

30.04 Umpire Selection: The Umpire-in-Chief (UIC) shall select umpires in a manner consistent with the rules, regulations and acts of the Open Division. Umpires may be nominated through the member association in whose geographic area they are accredited. Recommendations may come from their league commissioner, the league UIC, previous GSWS UIC or previous/current Athletic Director. The Board of Directors shall create policies for umpire selection that welcome umpires from all diverse representations of this organization and ensure competent administration and officiation of the game.

30.05 Team Manager Responsibilities: Team Managers will be held responsible for the conduct of their Team members at all times during the GSWS both on and around the playing field. In case of a disputed play or decision, only the Team Manager may consult game officials; other players, coaches or sponsors may not participate in the discussion. Team Managers are to report any unsportsmanlike or derogatory acts by players or spectators to the AD. Team Managers or their designated representatives must attend the pre-GSWS Managers’ meeting on behalf of his/her team. If the manager named on the team’s GSWS roster will not be managing the team in the GSWS, a proxy manager must be named at the Manager’s Meeting. Team managers must verify the accuracy and eligibility of the GSWS roster.

30.06 Life Saving Equipment: All field complexes must have Automated External Defibrillators (AED’s) and staff available who are certified in the use of such equipment.

SECTION 1 – HOST CITY SELECTION

30.10 Host City Partnership Agreement: The GSWS Host City Partnership Agreement is a standalone document, under the jurisdiction of the Board of Directors, which shall be signed by any potential Host City prior to and filed with the Intent to Bid. Amendments to the Host City Partnership Agreement can be authored and adopted with the consent of both parties.

30.11 Host City Bid Process: A potential Host City shall complete and submit an Intent to Bid form by the stated deadline and remit a non-refundable deposit, in an amount to be determined by the Board of Directors, to the NAGAAA Treasurer prior to the start of the winter meeting. The Intent to Bid shall be accompanied by a signed copy of the host city contract and a written list of all promises and guarantees that shall be made by the potential Host City in the course of their bid presentation. Bids may be for one year or multiple years.

30.12 Bid Presentations: All member associations, having properly submitted the Intent to Bid, deposit, and accompanying document(s) shall be allowed to present their bids to the Council at the Summer Meeting two (2) years prior to the intended GSWS. The Board of Directors will set time during the Summer Meeting for a Q and A session with the bidding associations.
   a. If the state or province where the GSWS is being conducted requires insurance above and beyond what
the Council has previously authorized this situation should be presented in the initial bid by the member
association(s) seeking to host the GSWS.
b. Should the Host City choose to bid for multiple GSWS years at once, the Council must be made aware by
the Board of Directors of a multi-year bid as part of the bid approval process.

30.13 Bid Restrictions: No association will hold a GSWS in another member association’s metropolitan area
without permission of that member association.

30.14 No-Bid Authorizations: In the event no association submits an Intent to Bid form for the GSWS, the
NAGAAA Board of Directors will select the Host City for the event. In such cases, NAGAAA assumes all
responsibilities and costs for hosting said GSWS and the Board of Directors is exempt from the restrictions listed in
this chapter.

30.15 Host City (Bid) Selection: The GSWS Host Cities shall be selected by majority vote of the Council before
the conclusion of the Summer Meetings but after the Q&A presentation.

SECTION 2 – TOURNAMENT FORMAT

30.20 Divisions: The GSWS shall be conducted with teams divided by the divisional guidelines of this
a. If there are less than four (4) teams registered in the Legends-D Division, the division shall be consolidated
into the Legends-C Division. Teams originally registered for the Legends-D Division may, upon notice of
the consolidation, elect to withdraw from the tournament and receive a full refund of the team and other
required fees and deposits without penalty.

30.21 Pool Play: For all divisions, the pool play draw is based on team ratings, except for A and B Division pool
play assignments, the top three (3) seeds will be assigned to the top teams from NAGAAA Cup in their respective

a. Forfeiting any pool play game will result in an automatic disqualification of the team from that year’s
double elimination tournament. Appeals of an automatic disqualification may be presented to the Athletic
Director before the beginning of the double elimination games if accompanied by a non-refundable $50
fee. If an appeal is upheld, the team will be reinstated in the GSWS with the pool play record as recorded.
If an appeal is denied, the team is disqualified.

30.22 Double Elimination: The Athletic Director will hold and publish the results of a double elimination bracket
draw. Seeding into Double Elimination will be determined by the results of pool play using the following method:
a. For teams with the highest win percentage will receive the higher seed
b. For teams with the same win percentage, the team with the fewest losses will receive the higher seed
c. For teams with the same win percentage and number of losses, the team with the most wins will receive
the higher seed
d. For teams with the same win percentage, number of losses, and number of wins, the team with the most
ties will receive the higher seed.
e. For teams with the same win percentage, number of losses, number of wins, and number of ties, the
team with the fewest runs allowed will receive the higher seed
f. For teams with the same win percentage, number of losses, number of wins, number of ties, and number
of runs allowed, the team with the higher rating will receive the higher seed
For teams with the same win percentage, number of losses, number of wins, number of ties, number of runs allowed, and team rating, a **random draw** will determine the team that will receive the higher seed.

### 30.23 Trophies

Trophy will be given in all divisions and awarded after the conclusion of the Double Elimination Tournament. Team Trophies will be given for the 1st, 2nd, 3rd, and 4th place winners for each division. Individual awards will be given to the rostered members of the trophy-winning teams in each division.

### SECTION 3 – REGISTRATION

Each member of each GSWS team shall be required to register prior to playing in the GSWS. During registration, players must verify their rating, pick up player status, select an LGBT/Non-LGBT status, review the required waiver information, declare any and all associations in which the player played during the qualifying seasons for that years’ GSWS, and verify the accuracy of all information and provide their signature to complete the registration. ### SECTION 4 – TEAM ENTRIES

#### 30.40 Team Entry Fees

Member associations shall reserve GSWS tournament berths by paying an entry fee as determined by the Board of Directors and by the deadline established by the board, unless exempted from the fee. Late payments of the fee are subject to fine. Cancellations of team entry, subject to the minimum berth requirement, shall result in refund of the team fee if cancelled before the deadline set by the Board of Directors. Cancellations after the deadline are not refundable.

#### 30.41 Host Hotel Deposits

Each Association, except for the Host City, shall also provide a hotel deposit for each of its GSWS teams as determined by the Board of Directors and by the deadline established by the board. The hotel deposit for each team, or on a cumulative basis for an Association, shall be fully refunded to the Association only when the Association provides receipts totaling the number of nights per team in rooms booked within the official block of qualifying rooms as determined by the Board of Directors and the receipts are provided to the Treasurer by the deadline established by the Board of Directors.

#### 30.42 World Series Berth Allocation

Teams may participate in the GSWS by earning a berth through one of the following:

a. Association Berth Allotment: Member associations are allotted a certain number of GSWS berths. In turn, each member association shall be responsible for its own determination on utilizing its allotted GSWS berths.

b. The top four (4) GSWS teams in the B, C, D, and E Divisions receive an automatic berth to the following year’s GSWS. These berths do not count against the Member Association’s berth allotment. To utilize the automatic berth, the GSWS team must: play in the next highest Division the following year or include at least 4 players from the previous year’s GSWS roster. Any B team awarded an automatic berth by this provision shall be exempt from the minimum team rating requirement for the A Division.
c. The top four (4) NAGAAA Cup teams in the B and A Divisions receive an automatic berth to the same year’s GSWS. These berths do not count against the Member Association’s berth allotment. To utilize the automatic berth: the NAGAAA and the GSWS Rosters for the team must adhere to the guidelines for a Standard Roster, the players from both rosters must meet all eligibility requirements for the GSWS and the GSWS roster must not include more than 4 pickup players from the same Member Association. Any berth awarded in this sub-section shall be forfeited if any player on the Roster for the awarded NAGAAA Cup team is listed on a Standard Roster in a different Member Association for purposes of qualifying for the GSWS. The first-place team in each Division will also have their GSWS fee waived.

30.43 Minimum Berth Requirement: Each Association must send at least one (1) team to the GSWS, or be subject to a fine as determined by the Board of Directors as well as other sanctions, including, reduction of the total berth allocation to one (1) total team for the following years’ GSWS, and possible suspension or termination of membership.

30.44 Exemptions from Minimum Requirements: A member association with eight (8) or fewer teams shall be exempt from the penalties under the Minimum Berth Requirement under certain circumstances. To exercise this exemption, the Association must notify the Commissioner of its intent not to participate in that year’s GSWS by the deadline established by the Board of Directors and must not have exercised this exemption in the immediately preceding two (2) calendar years. The member association shall be required to fulfill all other obligations, including, but not limited to, the GSWS Protest Committee(s).

30.45 Association Berth Allotment: Each member association is allotted a certain number of GSWS berths as listed in the table below:

30.46 No-Repeat Rule: No team awarded first, second, third, or fourth place in the B, C, D, or E Division of the
GSWS shall be eligible to compete in the same or lower division at the following two (2) year’s GSWS. For the
Legends D Division, the first and second place team shall not be eligible to compete in the same or lower division
at the following two (2) year’s GSWS. For the purpose of this rule, an ineligible returning team shall be defined as
consisting of four (4) or more players from a GSWS roster of a team awarded first, second, third, or fourth place in
the previous two (2) GSWS in the B, C, D, or E and the first or second place in Legends D Division.

CHAPTER 40 – NAGAAA CUP

40.01 Jurisdiction: This chapter shall be the jurisdiction of the Council and amended by majority at any council
meeting.

40.02 Purpose: The NAGAAA Cup is an invitational tournament that is designed to increase GSWS participation
by the A, B, Legends C and Legends D Divisions.

SECTION 1 – ADMINISTRATION AND TEAMS

40.10 Administration: The Board of Directors will determine the location and date of the NAGAAA Cup. All
teams will pay a fee for participating in the NAGAAA Cup, as determined by the Board of Directors. The Board of
Directors may, upon request of the Athletic Director, alter and change the format and rules of the tournament as
needed to accomplish play and ensure completion of the tournament in times of, including, but not limited to,
nature-related incidents, acts of terror or civil emergency, and other emergency situations. Complete cancellation
of the tournament may only be authorized by the Board of Directors. The Board of Directors shall outline the role
and responsibility for all personnel of the tournament.

40.11 Teams: Invitations will be given to all A Division teams, and the top B, Legends C and Legends D Division
teams from the previous year’s GSWS. Teams that have been invited must have 4 members of their GSWS roster to
be considered eligible for play in the NAGAAA Cup. Teams must accept the invitation by the deadline set by the
Director of Competition. After the deadline for acceptance has passed, the NAGAAA Director of Competition will
then issue invitations to any new A Division Team that has formed that year and then the remaining B teams from
the previous GSWS in order of their finish, and any other Legends C and Legends D Division teams. All teams must
submit their NAGAAA Cup roster by the deadline established by the Board of Directors.

40.12 NAGAAA Cup Roster: A and B Division teams entered in the NAGAAA Cup should register with the same
roster that they intend to submit as a regular season roster and may add only up to four (4) pick-up players to its
roster that will not be a part of the team’s regular season roster. A roster for the NAGAAA Cup must have at least
ten (10) players rostered and a maximum of three (3) non-LGBT players. No player may be listed on more than one
(1) NAGAAA Cup Roster. The roster may not be comprised of more than twenty (20) players, except those
managers and/or coaches who are not eligible to play or who do not play as a player do not count towards this
requirement and each NAGAAA Cup roster may name two (2) non-playing members in addition to the maximum
of 20 players. The Board of Directors shall determine the manner and form for submission of the rosters, deadline
for submission of the roster, and any sanctions for errors, omissions, and/or changes. Legends Division teams will
adhere to the Legends Division Roster rules as outlined in section 20.17.

40.13 Winners and GSWS Berths: Regardless of their overall NAGAAA Cup standing, the 3-highest placing A and
B Division teams will receive an automatic berth into that year’s GSWS. GSWS team fees for the highest-placed A
and B Division teams will be waived. All other fees/deposits will still apply. Automatic berths shall not count
toward the respective association’s GSWS berth allotment. A team earning a berth awarded in this sub-section
may only add up to four (4) players on its roster at the GSWS to utilize the berth as awarded or the berth shall be
forfeited. Any berth awarded in this sub-section shall be forfeited if any player from the NAGAAA Cup roster of the
team awarded the berth is listed on a regular season roster in a different member association, but only if that
member association is the player’s qualifying association. No automatic berths to the GSWS will be given to
Legends Division teams. A NAGAAA Cup trophy for overall first, second and third place will be awarded to all divisions competing in NAGAAA Cup. If the 3 highest placing teams are eliminated in the same round of the bracket (given it is a mixed division tournament), the tie breaker will be as follows:

- a. Overall double elimination record,
- b. Ratings from highest to lowest,
- c. Random draw.

SECTION 2 – RULES AND TOURNAMENT FORMAT

40.20 Rules: All USA Softball (ASA) and NAGAAA rules as listed in this manual apply to the NAGAAA Cup unless explicitly stated in this section.

40.21 Explicit NAGAAA Cup Rules: These rules are those that preempt USA Softball (ASA) and NAGAAA rules in the NAGAAA Cup.

- a. Each team is guaranteed five (5) games.
- b. Pool play will have a mixture of A and B Division teams.
- c. Home team will be decided by a double flip for pool play games. For all games in double elimination, the home team shall be the higher seeded team between the two (2) opposing teams, except that no team that is undefeated in double-elimination may be the away team when facing an opponent, with a recorded loss in double elimination, who is seeded higher.

CHAPTER 50 – PROTEST PROCEDURE

50.01 Jurisdiction: This chapter shall be the jurisdiction of the Council and amended by majority at any council meeting except that any amendment adopted at summer meeting of the Council must achieve a ninety percent (90%) vote to be effective at the Gay Softball World Series immediately following that meeting and the amount of any fines or fees shall be the jurisdiction of the Board of Directors and amended at any board meeting by majority.

50.02 Authority: A Protest Committee will rule on all eligible protests of player eligibility and ratings. The Director of Competition will create a Protest Committee schedule assigning times and locations in proportion to the number of teams that an Association sends to that year’s GSWS. This schedule will be distributed prior to the close of the Summer Meeting for that year’s GSWS. Protest Committee members must be present and available to hear protests at the assigned time and place. Protest committee members may change assigned times/places provided they initiate the change with another Association and notify the Protest Chair.
50.04 Protest Chairs and Assistant Protest Chairs: The Commissioner shall appoint one (1) Protest Chair and a number of Assistant Protest Chair(s) as determined by the Board of Directors. These positions shall act as chairs of any Protest Committee and operate as an independent judge of the matter before the committee, including, but not limited to, guiding the process, assisting the committee with inquiry and exploration, and informing the parties of the process and matters before the committee. In no way, shall a chair opine on the merits of the protest, take part as an advocate for or against any party, nor cast a vote on the matter before the committee. The designated Protest Chair will explain and distribute the procedure for protesting a player or team to the GSWS team representatives at the Managers’ meeting held prior to the start of the GSWS, including explanations of reasons for denial of a protest.

50.05 Protest Committee Composition: The Commissioner shall appoint at least five (5) persons for each field complex or designated location for protests for the tournament. 50.06 Protest Committee Deliberations: Protest Committee business shall only be discussed with other Protest Committee members, the chair of the Protest Committee, the Athletic Director or their assistant(s), and/or the NAGAAA Board of Directors. In the course of an appeal or on business matters before the Council, member associations may be involved in post facto discussions about a protest that filed, heard, and adjudicated. Only members of the committee, the chair, NAGAAA Board of Directors, parties involved in the protest, the Athletic Director or their assistant(s), and witness and/or advocates as allowed by the committee shall be permitted into the hearing of evidence and testimony before the Committee.

SECTION 2 – CONVENING AND CONDUCTING A PROTEST

50.20 Convening a Protest Committee: When a protest is filed, the respective Protest Chair or Assistant Protest
Chair will convene a Protest Committee to hear and rule on the protest. A chair with a conflict of interest will
recuse themselves, and an alternate will be assigned. The Protest Chair or Assistant Protest Chair shall randomly
select three (3) of the appointed protest members to constitute the committee and hear the protest.
a. No member of the protest committee shall be on the roster of a team in the division of which the protest
is involved, a member of a regular season roster for any of the member associations involved in that
protest, nor a party that filed said protest or is evidence to the protest, and no member association may
have more than one (1) person represented on the protest committee.

50.21 Protest Hearing Process: The Protest Committee will hear the arguments of both teams and/or parties
involved in the protest in order to rule on a protest. During pool play, the Protest Committee will rule on protests
as quickly as possible but, in any event, prior to the determination of seeding for double elimination play. During
double elimination play, the Protest Committee will rule on the protest prior to the start of the next game in which
either team is to be involved. A protest that involves player eligibility and not player ratings, must include at least
one (1) member of the NAGAAA Board of Directors, which shall not be the Commissioner.
50.22 Protest Committee Evidence and Record: Protest Committee hearings are to be audio recorded. The recordings from the protest hearing(s) will be kept for one (1) year from the date of the hearing by the Director of Competition and then destroyed. All player ratings from the prior year and the current year will be available for all Protest Committee hearings.

50.23 Protest Hearing Process: A protest hearing shall be conducted in the following process:

a. The Protest Committee chairperson will begin the proceedings by explaining the protest hearing procedures to each team’s Manager.

b. The protesting party will begin the hearing by explaining the basis for the protest and presenting any evidence of any kind, including, but not limited to scorebooks, to support the protest.

c. The Protest Committee has the authority to then call for a vote to move the protest forward.

d. After the protesting party has presented its case, the protested party will be afforded the opportunity to present evidence of any kind, including, but not limited to scorebooks, to rebut the protesting party’s argument.

e. After the parties have presented their case the Protest Committee will have the authority to interview players involved in the GSWS, Association officials and Members, and Open Division and GSWS officials and umpires.

f. Both principal parties must be notified of and afforded an opportunity to be present.

g. The Protest Chair shall remove all parties from the room except for the Protest Committee after the parties have presented their case to allow careful deliberation.

h. When the principal parties and the Protest Committee have completed their interviews and deliberations, the Protest Committee shall vote by secret ballot to determine whether to uphold or deny the protest, by majority vote. The principal parties shall have the opportunity to observe the voting process.

i. The votes will be tallied, and the parties will be informed of the Protest Committee’s decision.

j. The decision of the Protest Committee is final for the duration of that tournament. Both the Protesting Party and the Protested Party are asked to certify, by signature, that the protest hearing was completed in accordance and compliance with the process outlined in the policies of this organization. Should either party refuse to sign, the review of the process is referred to the Commissioner.

SECTION 3 – PENALTIES FROM A PROTEST

50.30 Actions Arising from the Protest Committee: If the Protest Committee changes a player’s rating question, it will be submitted to the Director of Competition and will remain marked as “Yes” or “Y” through the following two (2) GSWS. Any action taken by the Protest Committee will be reviewed by the Council through the Ethics Committee at the Winter Meeting of the next calendar year to determine if further sanctions are appropriate. The Protest Committee may make recommendations for any additional penalties.

50.31 Penalties for Non-Ratings Based Protests: A person protested on matters other than player rating and found in violation shall be assessed the following penalties:

a. The player’s team forfeits the protested game and any subsequent games in which the protested player has played prior to the resolution of the protest.

b. The player and their team manager will be disqualified from the remainder of the current GSWS.

c. A fine of $500 assessed to the player’s qualifying association.
50.32 **Fines for Ratings Based Protests:** A player protested on player ratings and found in violation shall have their qualifying association assessed the fines listed in the table:

</tbody>
</table>

50.33 **Penalties for Ratings Violations Causing a Team to Move Up a Division:** If a protest results in a player rating change that causes a team to move up a division, the protested team forfeits the protested game and the opponent is named the winner of the game. Additionally, the protested team is eliminated from the current tournament and the protested team’s member association is fined $500, in addition to the fines listed above in this section.

50.34 **Penalties for Ratings Violations Not Causing a Team to Move Up a Division:** If a protested player’s rating is increased by one (1) point and does not move the player over the ratings cap for that division, the player can continue to play in the current tournament. The new rating for the protested player will apply for the team’s overall rating. The result of the game stands and the team whose player was protested can continue in the tournament, provided that it is not their second loss in double elimination.

50.35 **Penalties for Specific Rating Violations:** The following provisions apply in the scenarios as outlined:

a. If a protested player’s rating is increased by two (2) or more points, the player will be deemed ineligible for the remainder of the current tournament, regardless of maintaining eligibility. In addition, the new rating will be accounted for in the team’s overall rating. Notwithstanding the penalty, the result of the game stands and the team whose player was protested can continue in the tournament, provided that it is not their second loss in double elimination.

b. If a protested player’s rating exceeds the limit for that division; the player is ineligible going forward and can no longer play in the current GSWS. In addition, the new rating will be accounted for in the team’s overall rating. The protested team will be declared the loser of the game. The protested team can continue to play in the tournament only if the new team rating falls in the divisional guidelines of the division entered and provided that loss recorded on the part of the protest was not the team’s second loss in double elimination.

50.36 **Penalties for Numerous Rating Violations:** If a team has three (3) or more protest ratings questions upheld, either in one (1) game or multiple games, the protested team will forfeit the last protested game and the opponent is declared the winner. Additionally, the protested team is eliminated from the current tournament and the protested team’s member association is automatically fined $500.00 in addition to the fines imposed in this chapter.

50.37 **Dual protests:** Whenever two (2) teams shall protest each other in the same game and both teams have not yet had a loss in double elimination and both teams have at least one (1) protest question upheld the following shall apply:

a. If the penalty for both Team A and Team B result in both teams being declared the loser, yet allowed to remain in the tournament, then the loser of the game, as determined by the real score of the game, will move to the loser’s bracket. The winner of the game will advance to next level of the winner’s bracket and a forfeit will be declared, thus sending the team to the loser’s bracket.
b. If the penalty for both Team A and Team B results in both teams being declared the loser, and one (1) team is ejected based on the result of the protest and the other team is allowed to continue based on the result of the protest, the team that is allowed to continue will move to the loser’s bracket.

50.38 Rating Workshop Requirements: Mandatory attendance of member associations is required at the Rating Workshop held concurrently to the Winter Meetings if any of the below are true. A fine of $100 will be assessed to member associations required to attend the workshop and who fail to attend.

   a. A team of a member association lodges two (2) or more unsuccessful ratings questions during one (1) single tournament.
   b. A member association has more than two (2) protest questions upheld during one single tournament.

CHAPTER 60 – ETHICS PROCEDURE

60.01 Jurisdiction: This chapter shall be the jurisdiction of the Ethics Committee and amended by majority at any Ethics Committee meeting, except that the amount of any fines or fees shall be the jurisdiction of the Board of Directors and amended at any board meeting by majority.

60.02 Authority and Applicability: The purpose/scope of this procedure is limited to providing a means to assess whether the behaviors, attitudes, and actions of our members align with our organizational values. The power of this organization to discipline its member associations or teams and/or players of the individual member associations is retained by the Council through the processes in this chapter. Penalties and sanctions as assigned by this organization only apply to membership in IPS and official events as hosted by this organization. This organization has no power to compel the suspension and/or expulsion of individual players or teams from local member association events nor to bar member associations from participating in any event or action other than official events of this organization. No member association’s action or inaction to discipline its member shall apply to this organization without action by the Council.

SECTION 1 – PETITION PROCESS

60.11 Petition by Member Associations: A member association and/or player may file a petition seeking discipline against another member association and/or individual not less than ninety (90) days prior to the next meeting of the Council. The petition shall include the following information to be accepted:

   a. Name(s) of the association, team, or individual member(s) petitioned against
   b. Association of those mentioned in (a)
   c. Date(s) of the events in question
   d. Reference to the rule(s) believed to be violated or behavior, actions, or attitudes exhibited
   e. Brief summary of the issue
   f. Requested remedy

60.12 Screening of Petition: The petition screening process has two steps: Completeness and Applicability.

   a. Completeness: Any petition submitted to the Ethics Committee will first be reviewed by the Ethics Chair to ensure all information required in Section 60.11 has been included. If the petition is missing any required information, the Ethics Chair will try to assist the petitioner in correcting the error by:

      1. Notifying the petitioner that the petition is incomplete
      2. Informing the petitioner what information is needed to correct the petition
      3. Allow the petitioner 5 business days to correct any errors and resubmit the petition (NOTE: This activity may occur within the 90-day submission period set forth in Section 60.11 and still be considered a valid petition if corrected within 5 business days)

   b. Applicability: Once the petition is successfully screened for completeness, a minimum of three (3) Ethics Committee members shall review the petition to determine applicability. Examples of non-applicable petitions include, but are not limited to:

      1. Petitions determined to be outside the jurisdiction of IPS and/or Section 60.02 of this manual
      2. Petitions determined to be frivolous, retaliatory, harassing or repetitive in nature
3. Petitions determined to be explicitly disallowed by other aspects or procedures of this manual

   c. Any petitions screened out for failing to meet either the completeness or applicability requirements shall not be forwarded to the Council for action, will be included in the Ethics Report to the Council. The report will include the total number of petitions, how many were screened out and the reason for screening out (completeness or applicability). Furthermore, notification that a petition was screened out will be sent to the petitioner(s) via email within 10 business days after the screening is completed by the Ethics Committee.

   d. All accepted petitions shall be forwarded for hearing at the next Council Meeting per Section 60.2.

60.13 Recusals: Any petition received as outlined under this chapter that would cause a conflict of interest for a member of the Ethics Committee (e.g., teammate, coach, partner, member of their home city) to decide on accepting the petition, the affected committee member(s) will recuse themselves from reviewing the petition.

If a conflict of interest exists that causes less than three (3) Ethics Committee members to be able to vote on the acceptance of an item, the following individuals will be considered for replacements in order of priority:

   a. Governance Committee Chair
   b. Governance Committee Vice-Chair
   c. Any remaining Standing Committee Chair/Vice-Chair, selected in alphabetical order of last name.

SECTION 2 – HEARING PROCEDURES

60.21 Notifications: Notification will include reference to the potentially sensitive nature of the information and indicate the matter must remain confidential and limited to affected parties and any witnesses to protect the integrity of those involved.

   a. Confidentiality: To maintain confidentiality, the affected parties must be verified relevant by the Secretary prior to officially communicating the ethic petition notification. Affected parties may include: the petitioner, any named persons petitioned against, and the commissioner of the verified parties’ last known local member association.

   b. Notification will be sent to the last known contact information on file in the IPS database.

   c. If there is no contact information for those petitioned against in the IPS database, the Secretary will inform the petitioner that they must provide updated association and/or contact information for those petitioned against within 5 business days. If the petitioner fails to do so, anyone unable to be contacted will be stricken from the petition. If this action results in no one remaining on the petition, the petition will be dismissed and included in the report of screened out petitions presented to the Council by the Ethics Chair.

   d. Any petition accepted in Section 60.12 will be forwarded by the Ethics Committee to the IPS Secretary for communication to affected parties per the following guidelines:

   e. Notification will be sent via email, which will include the petition and a request for written response confirming receipt of the notification from all affected parties.

   f. Notifications will be sent at least 45 calendar days prior to the start of the next upcoming Council Meeting (which is when the hearing must be held) and will indicate the estimated time, date, and place of the hearing.

   g. Notification will include reference to Section 60 of the governing manual and state that those petitioned against will have the opportunity to provide additional perspective at the hearing, in writing or in person; however, not virtually as the Ethics hearings are closed session.

60.22 Deliberation:

   a. Participants - All those petitioned against in an accepted ethics petition must be given an opportunity to provide additional details before the Council in closed session to protect the privacy and integrity of the affected parties. Exceptions to the closed session attendance rule include:

   1. Ethics Chair
   2. Parliamentarian
   3. Ethics Committee Members
   4. Affected parties or their appointed proxy by written request to the Ethics Chair
   5. Approved witnesses by written request of the petitioner or affected party to the Ethics Chair
b. The hearing will proceed as follows:
   1. Opening remarks by the Ethics Chair (or delegate) regarding the nature of the petition, the
      process that will be following, and introduction of affected parties (or proxies) and witnesses
   2. Presentation of evidence (including witness testimony) presented by the petitioner or their proxy
      (Recommended <15 minutes)
   3. Presentation of additional evidence (including witness testimony) by each/all of those petitioned
      against or their proxy (Recommended <15 minutes)
   4. Clarifying questions / comments raised by Council Members
   5. Closing remarks and suggested remedy by petitioner(s) or proxy (Recommended <5 minutes)
   6. Closing remarks by those petitioned against or proxy (Recommended <5 minutes)
   7. Closing remarks / next steps by the Ethics Chair (or delegate)

   c. In the event of any unforeseen procedural circumstances not outlined in Section 60, The Ethics chair in
      conjunction with the Parliamentarian will decide how to address and proceed, unless that decision would be a
      conflict of interest for any reason, in which case the recusal chain outlined in 60.13 will be in effect. If
      procedural deviations occur, they will be documented by the Ethics Chair then reviewed by the Ethics
      Committee to determine if they are significant enough to warrant an update to Section 60, and if so, updated
      prior to the next Council Meeting.

   60.23 Rulings: After hearing all the evidence and being afforded an opportunity to deliberate and ask questions
   of affected parties and witnesses, the Council will dismiss the affected parties and witnesses from the closed
   session. An opportunity for further deliberation will occur, then the Council will vote first ONLY on whether an
   ethics infraction occurred, NOT disciplinary action. If multiple parties are included in a petition, each party must be
   individually voted upon. A majority is required.

   60.24 Disciplinary Actions: For any/all ethics petitions that resulted in passing vote in Section 60.23, the Council
   must deliberate then vote on appropriate disciplinary action, if any. The council must begin with the petitioner’s
   suggested remedy but may amend it under Robert’s Rules of Order. A 60% majority is required to enact the
   disciplinary action. Some examples of disciplinary actions include:
   a. A period of probation for and/or a written warning to any individual or group determined to be involved,
      which may include the next GSWS and/or NAGAAA Cup
   b. Suspension of any individual or group determined to be involved from one or more subsequent GSWS
      and/or NAGAAA Cup events
   c. Suspension of the local association’s voting privileges for a period of time
   d. Suspension of the local association from a division or the entirety of one or more subsequent GSWS or
      NAGAAA Cup events.
   e. Permanent expulsion of an individual, group, or association from IPS
   f. Monetary fines

   60.25 Final Notification: The Secretary will record any disciplinary action determined during closed session and
   notify the affected parties of the Council’s decision / disciplinary actions by email within 14 calendar days. Any
   rulings and disciplinary actions are final and effective immediately.

   SECTION 3 – MISCELLANEOUS DISCRETIONARY PENALTIES

   60.31 Discretionary penalties for protests occurring at GSWS and NAGAAA Cup: Details of any protest(s) that
   occur at any GSWS or NAGAAA Cup event according to Section 50 will be forwarded to the Ethics Committee by
   the Director of Competition (or delegate) for inclusion as part of the Ethics Report to the Council by the Ethics
   Chair at the next Council Meeting. The Ethics Chair will offer the opportunity for any Council Member to motion for
   discretionary penalties for any protest. If seconded, Section 60.24 will be followed.
70.01 Jurisdiction: This chapter shall be the jurisdiction of the Board of Directors and amended by majority at any board meeting with the exception of the dues for this organization which shall be set by the Council annually by majority vote.

70.02 Dues: Each Association shall pay annual dues in like amount as shall be set by the Council at the previous year’s Summer Meeting. Dues shall be delivered to the Treasurer prior to the start of the Winter Meeting. Dues must be paid prior to the start of the Winter Meeting or the Association will forfeit its right to vote until all accounts are satisfied. Failure to pay dues shall result in fines and/or other sanctions.

70.03 Fines and Fees: The number of fines and fees shall be determined by the Board of Directors and listed in the schedule. Fines shall be invoiced and paid before the commencement of the next council meeting following the assessment of the fine. Fines assessed to a Legends Division team which center on an issue connected to a player shall be assessed to the player’s qualifying association. The monetary amount for fees for the current fiscal year shall be determined as part of the budgeting process and presented no later than the Winter Meetings.

70.04 Appeal of Fines: All fines, except protest fines, shall be eligible for appeal at the next regular meeting of the council after the fine is assessed through the process established by the Ethics Committee. A fine may only be waived by a two-thirds (2/3) vote of the Council. A member association will not be required to pay such fine until the conclusion of the next regular meeting, if appealing the assessed fine through a properly submitted business item, until the outcome of the appeal process. The association shall be considered in good standing while appealing.
**70.05 Schedule:** The dues, fee, and fine schedule of this organization is:

KEY: The Index column matches the dues, fee, or fine to the corresponding deadline in the deadline schedule. The Reference column indicates the Governing Manual reference.

**CHAPTER 85 – CONFLICT OF INTEREST POLICY**

**85.01 Jurisdiction:** This chapter shall be the jurisdiction of the Council and amended by majority at any council meeting.

**85.02 Purpose:** The purpose of this conflict of interest policy is to protect this tax-exempt organization’s (NAGAAA Open Softball Division Inc) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

**85.03 Definitions:** The following definitions apply to this chapter:

- **Interested Person** – Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.
- **Financial Interest** – A person has a financial interest if the person has, directly or indirectly, through business, investment, or family: (a) An ownership or investment interest in any entity with which the Organization has a transaction or arrangement, (b) A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or (c) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. A financial interest is not necessarily a conflict of interest. Under this chapter, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

**85.04 Annual Statements:** Each director, principal officer and member of a committee with governing board delegated powers shall, prior to each meeting, sign a statement which affirms such person:

- Has received a copy of the conflicts of interest policy,
- Has read and understands the policy,
- Has agreed to comply with the policy, and
- Understands the Organization is charitable and in order to maintain its federal tax exemption it must
engage primarily in activities which accomplish one (1) or more of its tax-exempt purposes.

**Compensation:** A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member’s compensation. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member’s compensation. **Duty to Disclose:** In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

**Determining Whether a Conflict of Interest Exists:** After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

**Procedures for Addressing the Conflict of Interest:** An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

**Violations of the Conflicts of Interest Policy:** If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

**Records of Proceedings:** The minutes of the governing board and all committees with board delegated powers shall contain: (a) the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing boards or committee’s decision as to whether a conflict of interest in fact existed.; and (b) the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the

300.08 Entry Fees and Berth Reservations: Each team must pay its entry fee by the deadline listed in Chapter 70. Member Associations must reserve berths in each division by the deadline listed in Chapter 70 and may cancel any berth reservation before the deadline listed in Chapter 70 for a full refund of fees paid.

300.09 Sanctions: All sanctions for errors, omissions, or failure to comply with the required submission of rosters shall be listed in Chapter 70 and clearly delineate the sanctions for each class of changes authorized in this section. Each correction of either class of correction shall be counted individually, and the sanction applied to each count.

a. The Director of Competition and/or Commissioner may provide for exceptions to the deadlines and rules of the GSWS rosters without penalty on a case by case basis for the purposes of overcoming a hardship on the part of that team for circumstances that are beyond the natural control of the team and significantly impair or negate the ability of the team to participate in the GSWS. This rule shall be known as the “hardship rule”.

CHAPTER 305 – GSWS HOST HOTEL DEPOSIT AND REQUIREMENTS

305.01 Jurisdiction: This chapter shall be the jurisdiction of the Board of Directors and amended by majority at any board meeting.

305.02 Purpose and Authority: The purpose of this policy is to establish the required number of room nights reserved per team for the GSWS, the amount of the required deposit, the deadline for payment of that deposit, and the process for reimbursement of the deposit and conditions thereof. The authority for this policy is granted in 30.41 of the Governing Manual.
305.03 **Requirements of Teams:** Each team of any member association entering the GSWS shall provide a $500 deposit payable to the Treasurer by July 15 to satisfy the host hotel requirement. Each team paying such a deposit must occupy a room at the tournament rate and provide evidence of 15 room nights of occupation at a host hotel of the GSWS as designated by NAGAAA. This requirement is not in effect on any team whose member association is the host association for that year’s GSWS or any member association’s team who primary metropolitan area is within ninety (90) miles of the metropolitan area of the GSWS host member association.

305.04 **Evidence of Occupation of Rooms:** The Treasurer may determine that a member association has met the requirement of room nights by submission of receipts from the member association indicating that said rooms were occupied. These receipts must be submitted to the Treasurer via email or postal mail after the GSWS but no later than 30 days preceding the Winter Meeting immediately following the GSWS. In lieu of the submission of receipts, the Treasurer may make a determination that the requirement is met by utilizing a master list from the host hotel indicating that occupation of rooms occurred. The Treasurer shall notify each member association, via the Secretary, prior to the GSWS if receipts will be needed or if the host hotel shall provide a master list of room occupants.

305.05 **Reimbursement of Deposit:** The Treasurer shall return the appropriate deposit amount to each member association which has met the required number of room nights per team by check to the member association representative in attendance at the Winter Meeting following the GSWS.

**CHAPTER 331–GSWS UMPIRE SELECTION POLICY**

331.01 **Jurisdiction:** This chapter shall be the jurisdiction of the Board of Directors and amended by majority at any board meeting.

331.02 **Purpose and Authority:** The purpose of this policy is to ensure the selection of umpires consistent with the rules, regulations, and acts of this organization. The authority for this policy is granted in 30.04 of the Governing Manual.

331.03 **Umpire Reviews:** The UIC shall annually review umpires at the GSWS. Performance reviews of umpires shall be the domain of the UIC and shared with the NAGAAA Board of Directors as necessary by either party. Performance Reviews will be completed as follows: All first- and second-year umpires will be evaluated with a detailed evaluation form. All umpires with three (3) plus years of experience will be verbally counseled when areas of improvement exist. The verbal conversation will be documented and submitted with the final group of evaluations for that year’s GSWS Report. Any umpire who receives an overall “needs improvement” evaluation, and/or is involved in an unprofessional encounter/incident with a player/manager will be automatically suspended for the following GSWS. A longer suspension may be assigned depending on the egregious nature of the incident. The final decision will be made jointly by the UIC staff and Athletic Director. Any umpire not so suspended is considered in good standing.

331.035 **UIC Appointment:** The Commissioner shall appoint the UIC by November 1st of a calendar for the GSWS of the following year.

331.04 **Umpire Nomination:** The UIC shall seek nominations of umpires for the GSWS by November 1st from the commissioners or authorized representatives of member associations.

331.05 **Umpire Selection:** The UIC shall, by May 31st, select and invite umpires to officiate the GSWS after considering the nominations of the members and the reviews of the umpire from previous years. Umpires will be awarded a position in that year’s GSWS based on their order of response to an invitation (i.e., first to respond, first awarded). In order to assure consistency and experience with GSWS umpires, the UIC will issue two invitations.

a. First, by February 15, umpires in good standing with five plus (5+) years of GSWS experience will be invited for the upcoming GSWS. Eighty percent (80%) of the allotted umpire slots will be filled from this umpire pool receiving the first invitation and those responding affirmatively to the invitation. After this
80% threshold has been met, a wait list will be started of those umpires whom responded to the invitation but were not awarded a position.

b. Second, on March 1, umpires in good standing and with less than five (5) years of GSWS experience and all newly recommended umpires will be invited. The remaining twenty percent (20%) of the allotted umpire slots will be filled from this umpire pool receiving the second invitation and those responding affirmatively to the invitation. After the 20% threshold has been met, all names of those umpires from the second pool whom responded to the invitation but were not awarded a position will be added to the wait list started from first umpire pool.

c. If on March 15, there are any open umpire slots and no wait list, then umpires from either pool may fill the slots at the discretion of the UIC.

Umpire selection shall represent the diversity of NAGAAA, including international membership.

331.06 Notification to Umpires: The UIC shall inform all nominated umpires of the status of their nomination by April 1st. The UIC shall inform the Secretary of invited and selected umpires by May 31st. Selected umpires must provide the UIC staff with a copy of their current year USA Softball (ASA) or Softball Canada certification by July 1st in order to be eligible to umpire in the upcoming GSWS. It is the individual umpire’s responsibility to confirm their certification has been received and accepted by the UIC staff.

CHAPTER 341 – GSWS HOST CITY METROPOLITAN AREAS

341.01 Jurisdiction: This chapter shall be the jurisdiction of the Board of Directors and amended by majority at any board meeting.

341.02 Purpose and Authority: The purpose of this policy is to establish the metropolitan areas of each member association solely for the purposes of hosting the GSWS. The authority for this policy is granted in 30.13 of the Governing Manual.

341.03 Metropolitan Areas of the Member Associations: The current metropolitan areas of each member association are listed in the table below. Member associations are identified by the predominant city of each or their common name:

CHAPTER 400 – ADA POLICY

400.01 Jurisdiction: This chapter shall be the jurisdiction of the ADA sub-committee and amended by a majority vote at any sub-committee meeting.

400.02 Purpose & Authority: The purpose of this policy is to outline the eligibility and protocols for designating individuals as ADA eligible at the NAGAAA Cup and GSWS. The ADA sub-committee is comprised of the NAGAAA Athletics Director, the NAGAAA UIC, and one other at-large member named prior to the GSWS and NAGAAA Cup independently by the Athletic Director.

400.03 Definitions:

a. Verified Disability
b. Injury
c. ADA Designation
d. Rule Modification
400.04 Applying for a Rule Modification: A person who, because of a verified disability, would like a reasonable modification to the Rules in order to participate in the NAGAAA Cup or GSWS should advise the NAGAAA Athletic Director or their designee of the requested modification. An injury alone does not qualify an individual for a rule modification. A properly submitted request for modification shall only be submitted via the online application at the link provided to all NAGAAA Member Cities.

A properly submitted request for modification shall only be submitted via the online application at the link provided to all NAGAAA Member City Delegates/Commissioners at the email on file with the NAGAAA Secretary for each individual league prior to the NAGAAA Cup and the GSWS. Medical provider documentation must be submitted by email attachment sent to ADA@NAGAAA.org at the time of request submission.

This request must include the following:

a. Player’s full name
b. Player’s member association and team
c. An explanation on why the modification is needed, including how the modification will address the player’s specific disability.
d. Applicants are required to provide medical substantiation of the need for requested modification by a medical professional that is involved in the care of the disability being claimed.

Once a properly completed ADA Modification application is received, an email confirmation will be sent to the applicant.

400.05 Deadline to Submit Modification Request: This must be done in order to allow for an inquiry to be undertaken to decide whether to allow or deny the requested modification. ADA modification requests must be made no earlier than 30 days prior to GSWS/NAGAAA Cup Roster due date, and no later than GSWS/NAGAAA Cup Rosters due date. Any requests not received by the deadline will be refused with no action being taken.

400.06 Rule Modification Review: The ADA sub-committee will review all rule modification requests, to include consideration of the participant’s specific circumstances, and the purpose of the rule, policy, or practice at issue. It will also ensure that the requested modification does not afford either team an unfair advantage or disadvantage. The committee that evaluates properly submitted requests may request additional information before providing a decision on the granting, or denial of said request. Any committee requests for additional information will have an additional 7 days to submit the requested information.

Once the sub-committee has completed its inquiry, another email will be sent to the applicant advising if the request was approved or denied. If the application was approved, that email will also state what the approved modification is. The decisions of the Committee will be final.

400.07 ADA Modification Cards: ADA Modification Cards will be provided to team managers at the GSWS Managers Meeting and Registration Event at the NAGAAA Cup. ADA Modification Cards must be turned in at the beginning of each game to the home plate umpire in order to be granted the modification for that game. Failure to do so will result in the modification not being honored for that game.

CHAPTER 810 – PAYMENT TERMS OF SPONSORSHIP CONTRACTS

810.01 Jurisdiction: This chapter shall be the jurisdiction of the Board of Directors and amended by majority at any board meeting.

810.02 Purpose and Authority: The purpose of this policy is to create enforceability of payments provisions in sponsorship contracts, ensure said provisions are included in sponsorship contracts, and assist with budget development and cash flow of the organization by creating certainty around receivables. The authority for this policy is granted in 4.01 of the Governing Manual.
810.03 **Terms of Payment:** All sponsorship contracts or any contract with an amount due to NAGAAA shall have a payment due date for the full balance or a schedule of payments with due dates for each payment included in the contract before it may be executed by this organization.

810.04 **Invoices:** The Treasurer shall be provided a copy of the payment terms or payment schedule for each executed sponsorship contract and shall invoice the sponsor according to that schedule and a reminder for any amount that is past due 30, 60, or 90+ days.
